UNISON PRAYER

Rev. Myra Moreland

**Patient Lord, you know how easy it is for us to whine and complain bitterly about all those things in our lives that are difficult. We focus on them as though they were the only things that ever happened to us, forgetting the many blessings that you have given to us and the opportunities you give us to serve you. We feel alienated – you call us beloved. We feel lost – you seek us.**

**We feel broken and battered –your love is a healing balm. Forgive us when we forget those things. Help us always to look to you for our healing and to return thanks to you by praise and serving others in your name.**
